**SELECTION (REVISED) LIST FOR ADMISSION TO CLASS I  
FOR THE SESSION 2020-21**

After detailed verification of the lottery results of class I for the session 2020-21, some applicants were found placed in more than one category like SC/ST/RTE/OBC/Service Priority Category etc. And so after detailed filtering of the same, some applicants have been pulled up from the Waiting List to the Selected List. The list is attached herewith.

All parents are hereby informed that all the selected applicants for Class I will be added in two temporary WhatsApp Groups (Section A & B) for easy and faster communication with parents about details of document verification and admission. In fact, due to measures taken for prevention of spread of Covid-19 pandemic the admission processes have been delayed.

**However, a detailed plan is being made to call the parents in smaller groups on different days so that there will be no crowded gathering and proper social distance may be maintained.**

Parents are requested to keep checking for notices in the WhatsApp group and the school's website. The staff of this vidyalaya will also call the parents on the contact number provided by the parents at the time of registration. Therefore, any change of contact number must be informed to the undersigned at kv2imphaladmission@gmail.com
